1. Poster competition on Mother Tongue Language and Goan cultural Tradition.
2. Singing competition on Goan Folk songs

Poster making competition and singing competition was organised online.

An exhibition of Konkani books was held in the library to commemorate the Matrabhasha Diwas.

On 29th January 2022 PTA member Mrs. Sheetal Dhere conducted a one-hour yoga session for the staff of our institution.

She started with a number of warm up stretching exercises . She also taught various Yoga Asanas, the Surya Namaskara, and Chandra Namaskara.

It was a very beneficial session.

On 4th February 2022, our PTA invited Mr Ruildo D'Souza as a Resource Person to give our Commerce teachers a session on "Tally with GST" in the Computer Laboratory. There was a PPT on Basics of GST, important terms used with GST, Taxes to be subsumed, and Taxes not to be subsumed. He ended the session by making the Commerce teachers practically solve a problem in Tally with GST.

BASICS OF GST:
 GST is a single tax on the supply of goods and services, right from the manufacturer to the consumer.

The Input Tax credit paid at each stage will be available in the subsequent stage of value addition, which makes GST essentially a tax only on value addition at each stage.

It is the end consumer who will bear only the GST charged by the last dealer in the supply chain, with set-off benefits at all the previous stages.

With the streamlining of the multiple taxes, the final cost to the consumer will turn out to be low because of elimination of double charging system.

TAXES TO BE SUBSUMED

CENTRAL TAXES	STATE TAXES
1. Central Excise Duty	1. Central Sales Tax
2. Service Tax	2. State VAT
3. Additional Duties of Excise	3. Luxury Tax
4. Additional Duties of Customs	4. Entry Tax & Octroi
5. Surcharge and Cess levied by Centre	5. Entertainment Tax
	6. Tax on Lotteries, betting & Gambling
	7. Surcharge & Cess levied by the State

The following activities were conducted by Electoral Literacy Club.
